

Grant Application - Churches and Christian Groups

North Carlisle Christian Ministry's grants are to help with the costs which a church or other Christian group may incur in growing and developing their ministry. They are awarded to bodies which are engaged in Christian ministry in accordance with our Statement of Faith. (This can be viewed on the website www.northcarlislechristianministry.org.uk).

To help the trustees consider your application, please supply the information needed on the form below. Once you have completed it return it either by post to NCCM, % St Peter's Church Office, Kingstown Road, Carlisle, CA3 0BB; or as an email attachment to office@northcarlislechristianministry.org.uk.

The trustees meet roughly every two months to consider applications. Their resources are not limitless but all applications will be thoroughly considered and you will hear their decision as soon as possible.
