*Thank you!*

When Jesus saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, “The harvest is plentiful, but the labourers are few; therefore pray earnestly to the Lord of the harvest to send out labourers into his harvest.”

*(Matthew 9:36-38)*

Here in Houghton and Kingmoor, on the northern outskirts of Carlisle, we have been praying for many years about new opportunities for proclaiming the gospel of Jesus and how best to ensure this continues into the future.

Following prayerful reflection, **North Carlisle Christian Ministry (NCCM)** has been set up to support training and employment for Christian ministry. Our hope and prayer is that God uses it to raise funds for gospel work in this Parish and the surrounding area for many years to come.

The Trustees are committed to working closely with Houghton and Kingmoor PCC and the Church of England as a whole whilst they remain true to the evangelical gospel of Jesus Christ. For those who wish to leave a legacy to support evangelism and discipleship in the area, NCCM offers a safeguard to ensure that money is used faithfully whatever the wider situation at the time.

## Our Conviction

That coming to know Jesus Christ as Saviour and Lord is the most important thing that can happen to any person and living for him is the most beneficial way of valuing and helping other people now and eternally.

## Our Aim

To help people

- Come to a living faith in the Lord Jesus Christ
- Grow in maturity as Christians
- Serve as Jesus' disciples in every part of their lives

## Our Area

Principally in the north Carlisle area, but we aim to use 10% of our income to support similar ministries elsewhere.

## Our Methods

These are the main ways we use the money we receive:

- **Training for Christian ministry**
  - Making grants to individuals
- **Employing people for Christian ministry**
  - Helping to finance this through churches or other Christian bodies
  - Directly to fulfil our aims, especially where the role is wider than a single church would be able to support

## Our Income

We rely on the generosity of individuals and other bodies who want to see our aims fulfilled. We do not spend income campaigning to raise more income. We do not want people to divert their giving away from support for their church.

## Our Spending

The trustees meet regularly. They assess our finances and the known needs and then seek to use the money wisely and without holding onto excessive reserves. We have clear criteria in our grant making and employment policies to ensure we stick to our aims.
